Proudly Made in Canada

Our Commitment

We promise to offer the highest quality products, impeccable service and work with the utmost integrity. As a privately owned Canadian company we are proud of **StoneRox** and its flexible designs, indigenous to the Canadian Landscape in colours and styles. We are pleased that our products are sustainable and offer options to redefine both traditional and contemporary building facades.

STONEROX

A Canadian manufactured lightweight facing stone.

- Versatile and functional
- Stones are 5/8" to 2 ¼" thick and can be installed over any sound surface
- For new construction
- For renovations where brick ledges or structural footings are not available
- Interior applications
- Lightweight, installer friendly and fire resistant
- Virtually maintenance free
- Can be installed in assorted patterns
- Combine styles and colours to create an authentic appearance
- Can also be combined with brick, wood or stucco
- Distinct styles are produced in various textures
- Available in a full array of blended natural colours
- Meets the needs of the Canadian Market
- Manufactured to CSA Standards

50-YEAR QUALITY
ASSURANCE GUARANTEE

StoneRox is a superior, high quality stone veneer that is proudly crafted in Canada. Each product line has been beautifully designed and rigorously tested to retain its structural strength, integrity and durability through the harshest Canadian climates for 50-years. If your **StoneRox** product is installed according to our specifications and becomes structurally defective, we will replace it. That's the **StoneRox** Quality Assurance Guarantee. See **stonerox.ca** for additional details.
